Time of game-1:45.

Notes of the Game

St. Helens should have rightfully been the winner of the game. The the creek and was called umpiring was decidedly off color and cost us at least two runs. Moore was a stolen base safe at second by a quarter of a uble added another block, and if the portly umpire, Mr. hie Salem's collection; making the Hayner, had taken the trouble to and to 2 in favor of Salem. In turn around and see the play it would swenth St. Helens chalked up have been called safe. This decision istename score. Armspriger robbed us of a score. We would sugachef first when Gill failed to hold gest to President Bay that he furnish long fly, and took third on Perry's this umpire a revolving chair so his no, scoring on Donaldson's long 200 pounds of flech can more easily

singled but was forced at third numeh and gave the St. Helens playhelder's choice. Seymour reaching are the hand often. They also thought rs. He stole second, and scored Hayne ' decisions were bad, to say the least.

The home run Salem is credited: with was of the fluke variety. The ball rolled into a little creek and all Perry could do was to watch it float down on its long trip to the Willawere watching two runs clatter across the home rubber.
